

Other *various devices* have their own software that allows you to download books from the **Overdrive website** through your Library and get them on your Mobile Devices!

Getting books to your **Computer**:

### **Adobe Digital Editions (FREE)**

[adobe.com/products/digitaleditions/](http://adobe.com/products/digitaleditions/)

### **Flash Player 9.0+**

[get.adobe.com/flashplayer/](http://get.adobe.com/flashplayer/)

### **And Javascript!**

For Audiobooks you'll need the **Overdrive Media Console**:

[overdrive.com/software/omc](http://overdrive.com/software/omc)

This Console is also available as an application for several devices capable of playing audio files.

These include: *Android, Blackberry, iPhone, iPad, Windows Phone 7*, etc...

**Kobo** uses *Adobe Digital Editions* AND the *Kobo Application* to sort/organize and copy content. Ebooks can be returned early with the Kobo. The Kobo App can be downloaded from:

[www.kobobooks.com/desktop](http://www.kobobooks.com/desktop)

**Sony** Devices use the *Sony Reader Application* and can also be returned early; the application can be downloaded from:

[ebookstore.sony.com/reader/](http://ebookstore.sony.com/reader/)

**Blackberry** Devices use the *Blackberry Desktop application*.

This Desktop App can be downloaded from:

[ca.blackberry.com/apps-software/desktop/](http://ca.blackberry.com/apps-software/desktop/)

**\*Each Device** will use their own software and procedure from their manufacturer.\*

Our **goal** is to orient you to the **possibility** provided by the Library!

### **The Infamous Adobe ID:**

With this you can **Authorize** your ADE and get books anywhere in the world! By plugging a device into your computer with an authorized ADE open you are prompted to authorize the device!

To **De-Authorize** the DEVICE from a public computer press:

*Control+Shift+E*

To **De-Authorize** the USER from a public computer press:

*Control+Shift+D*

Once this is setup once on your Computer head back to our website and click the **Overdrive link**. Then search for *eBooks* or *Audiobooks* and use your Library card to access your eAccount!

Search for books and follow the steps for your device to copy the books over!

## You'll Need:

- A Valid *Alberta Library Card* (with no Late Fees!)
- *Internet Access*
- A *Computer* and/or *Mobile Device* with appropriate software downloaded

You can check online to see if your device is supported or check to see which ones are before you buy!

[www.overdrive.com/resources/drc](http://www.overdrive.com/resources/drc)

\*Computers (both Mac and Windows) are compatible with both ADE (eBooks) and OMC (Audiobooks)!\*

Although each device has its own programs and steps to download Digital Media, we'll show you how to get books from the Library on to your computer!

## If you have any Questions or Concerns
